

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

N. B. These names of the residences of Members in the Catalogue have been taken from the old records ; and as it has been found impossible to correct them all in conformity with the changes which have since been made, they have generally been suffered to remain as first recorded. This may account for some misstatements of the present residences of Members.

Members are urgently requested to notify the Librarian of any errors they may discover in the Catalogue.

IMMEDIATE MEMBERS

1906

Arthur Campbell Blagden, <i>D. M'l</i> ,	New York, N. Y.
Joseph Warren Burden,	New York, N. Y.
Eliot Buchanan Cross,	New York, N. Y.
Oliver Dwight Filley,	Boston.
Malcolm McBurney,	New York, N. Y.
James Mortimer Montgomery, <i>L. P. C.</i> ,	New York, N. Y.
Roger Merrill Poor,	New York, N. Y.

1907

Francis Randall Appleton,	Ipswich.
Eliot Farley,	Cambridge.
Leland Harrison,	Philadelphia, Pa.
James Jackson Higginson,	New York, N. Y.
Dudley Leavitt Pickman,	Boston.
Francis Williams Sargent,	Boston.
Francis Skiddy von Stade,	New York, N. Y.
Harrison Tweed,	New York, N. Y.
Harold Stirling Vanderbilt,	New York, N. Y.
George Whitney,	Boston.
Benjamin Loring Young,	Boston.

SUMMARY

Total number of members to date	1340
Deceased	969
Total number of members living	<u>371</u>
Honorary members	353
Immediate members	<u>18</u>
